# Instructions for **Graphic Liner**

WHAT'S IN THE BOX

Your Graphic Liner Includes: (1) Graphic Liner, (1) Carry Bag

SET UP

NOTE: This accessory is intended to be installed in the corner under the primary fabric canopy of your E-Z UP® shelter.

1. Set up your E-Z UP® shelter product in the area that you intend to shade according to the owner's manual instructions. Open the frame to approximately 3/4 of its fully-opened size and do **not** extend legs.

2. Remove fabric top from frame. Remove Graphic Liner from storage bag.

3. Drape Graphic Liner over frame. (Fig. A)

4. Slightly pull down the **Peak Pole** in order to easily reach the **Peak Pole**. (Fig. B) Drape the Graphic Liner over the **Peak Pole** and line up center peak of the Graphic Liner with top of **Peak Pole**. (Fig. C)

5. Locate the two **FXT Clips** found on each corner of the Graphic Liner and attach them to the **Corner FXT Attachment Points** on the frame of the shelter. (Fig. D)

6. Repeat **Step 5** for all corners.

7. On the frame, using a coin, unscrew the **Top Attachment Nut** from the **Frame Bolt**. (Fig. E) Place the **Paracord Loop** on the frame bolt. Replace **Top Attachment Nut** and tighten until snug. Do **not** over tighten. (Fig. F)

8. Repeat **Step 7** at each **Top Attachment Nut**.

9. Finally, replace top and reattach **Top Attachment Nuts**, then fully set up the shelter according to the owner's manual instructions.
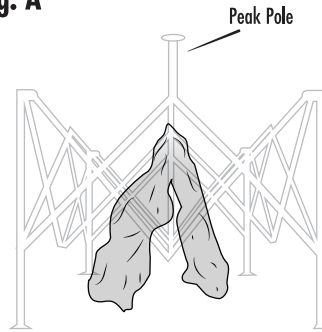

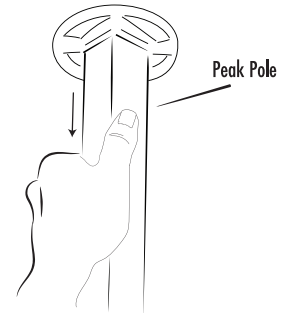

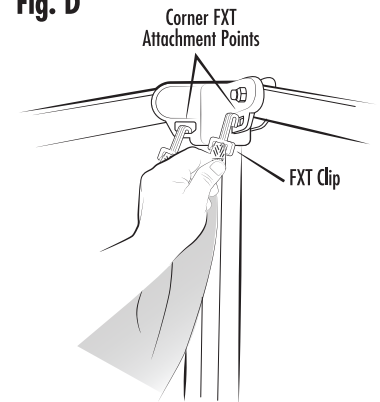

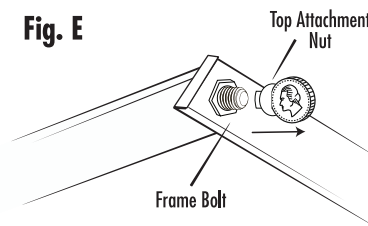

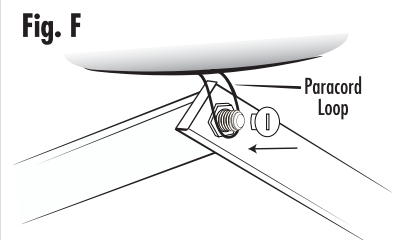

TAKE DOWN

1. Once Graphic Liner is installed it may remain on shelter when stored. Refer to owners manual for take-down instructions for shelter.

RECOMMENDATION

1. If Graphic Liner is stored while installed in shelter, check **Paracord Loops** and **FXT Clips** to ensure they have remained in correct positions.

CARE & MAINTENANCE

- Use a mild soap (not detergent) and plenty of water for cleaning. Let the E-Z UP® Graphic Liner dry completely before closing or storing to avoid mildew.
- Store in the Carry Bag provided.
