100% WATERPROOF PROTECTION

Built for Tough Conditions

FEATURES

- The laminated ripstop vinyl top features seam-welded construction for complete waterproof performance while remaining 30% lighter than traditional heavy-weight vinyl.
- Designed to resist mold, mildew, and cracking in extreme temperatures, it delivers reliable protection in rain, heat, or cold, making it ideal for industrial, emergency response, and professional outdoor applications.
- Compatible Canopy Models:
 - 10' Eclipse® & Eclipse® MAX
 - 10' Endeavor® & Endeavor® MAX
 - 10' Express™
 - 20' Eclipse® & Endeavor®
